

COMBINED FEDERAL CAMPAIGN

Agency # 11315

Far East Council, Boy Scouts of America

The council has a new agency number for the Combined Federal Campaign.

The Far East Council information is often difficult to locate in the CFC brochures usually listed under international organizations of Global Impact.

Like the “Unknown Scout” doing a good turn in a London fog brought Boy Scouts to the United States, your CFC contribution can do much for the future of Scouting in the Far East Council.

This year the Council will recognize those who donate to the Council at certain levels.

You must send a copy of your donation receipt to the Council so that we may send you your recognition items.

- \$5 per month – Commemorative CSP Patch
- \$10 per month – Commemorative Coin and CSP Patch
- \$20 per month – Commemorative Polo
- \$50 per month – Commemorative Plaque
- \$100 per month – Limited Edition Framed FOS Patch Set

Once again we hope that you will be able to participate and help make our Council the “Jewel of the Orient.”
